

# 16th Annual Trends in Autism Education Forum

## FACE-ing Autism with Animal Therapies & Inclusion

Please join us for a special holiday event featuring Special Santa, sensitive to special needs kiddos! Bring the whole family! There will be a panel of speakers discussing animal therapies, a resource fair, holiday arts & crafts led by an Occupational Therapist and photo opportunities with Santa Claus himself!

**Free Community Event**  
**Saturday December 2nd 9:30am-1pm**  
**309 E. Second St. Pomona, CA**  
**Health Education Center, 1st Floor**  
**To RSVP email [face@westernu.edu](mailto:face@westernu.edu) or call 909-646-0855**

This year's event will host world renowned author and psychologist Dr. Aubrey H. Fine. Dr. Fine specializes in treating children with learning disabilities and developmental disorders. Dr. Fine will be discussing the human-animal bond. Panel will include horseback riding therapy and local nonprofit AnEx Club whose mission is to help autistic kids explore their interests, socialize and thrive. Learn more at [www.anexclub.org](http://www.anexclub.org).
