

Post-Doc Accomplishments 2016-2017

Sun Lee

Health Outcomes Fellow Year 1

Dr. Anandi Law

Publications:

1. **Lee S.**, Hata M., Law AV. Medication Disposal: the final step in medication safety. (Submitted *California Pharmacist Journal* in April 2017).

Oral and Poster Presentations:

1. **Lee S.**, Ozaki AF., Bae Y., Law AV “Effectiveness of an educational intervention to improve prescription label comprehension and functional health literacy as measured by pillbox test” Podium presentation, Western University of Health Sciences, Pomona, CA, March 2017.
2. **Lee S.**, Ozaki AF., Bae Y., Law AV. Effectiveness of an educational intervention to improve prescription label comprehension and functional health literacy as measured by pillbox test. Poster at American Pharmacist Association (APhA) Annual Meeting, San Francisco, CA, March 2017.
3. **Lee, S.**, Bae Y., Gogineni H., Law AV “Improving medication adherence using the Modified Drug Adherence Work-up (M-DRAW) tool” In-service presentation to medical and nursing providers, Veterans Affairs Community-Based Outpatient Clinic, Rancho Cucamonga, CA, Feb 2017.

Professional Achievements:

1. Abstract reviewer, 22nd International Society for Pharmacoeconomics and Outcomes Research (ISPOR) Annual Meeting, Research Review Committee, Baltimore, MA (May 20-24, 2017).

Jenny H. Kang (Lee)

Pharmacoeconomics and Health Outcomes Research Fellow Year 2

Dr. Quang A. Le

Publications:

1. **Kang J.**, Le QA. Short-term effectiveness of the three most commonly performed bariatric surgical procedures: A systematic review and network meta-analysis of randomized controlled trials (Submitted to *Medicine*).
2. **Kang J.**, Nguyen QN., Mutka J., Le QA. Re-challenging statin therapy in veterans with statin-induced myopathy post Vitamin-D replenishment [Letter to the editor]. *J Pharm Pract* 2017; 30(3):386-387.
3. **Kang J.**, Nguyen QN., Mutka J., Le QA. Re-challenging statin therapy in veterans with statin-induced myopathy post Vitamin-D replenishment. *J Pharm Pract* 2016. DOI:10.1177/0897190016674407.
4. Le QA., Bae Y., **Lee J.** Cost-Effectiveness of Trastuzumab Emtansine (T-DM1) for HER2-Positive Advanced Breast Cancer (ABC). *Breast Cancer Res Treat* 2016;159(3):565-73.

(Jenny Kang cont.)

Oral and Poster Presentations:

1. **Kang J.**, An J., Pon D. “Pain Medication Utilization Pattern in Cancer Survivors,” Fellowship Research Podium presentation, Western University of Health Sciences, Pomona, CA, March 2017.

Marina Dykhne

PGY1 Pharmacy Resident

Dr. Emmanuelle Schwartzman

Oral and Poster Presentations:

1. **Dykhne M.**, Schwartzman E. Impact of a Pharmacist Provided Pre-Visit Consult Service in Primary Care. Western States Conference for Pharmacy Residents, Fellows, and Preceptors. Platform Category B1(Ambulatory Care), Podium Presentation # 540., San Diego, California, May 2017
2. **Dykhne M.**, Schwartzman E. Impact of a Pharmacist-Provided Pre-Visit Consult Service in Primary Care for Diabetes, Hypertension and Dyslipidemia. American College of Clinical Pharmacy (ACCP), Scientific Research by Residents and Fellows. Virtual Poster Symposium, Poster # 115., May 2017

Professional Achievements:

1. Certified PPD (Tuberculosis Skin Test) Administrator & Reader. Western University of Health Sciences, Patient Care Center Pharmacy, Pomona, California, July 2016

Special Projects:

1. **Dykhne M.**, Hata M. Primary Care Providers’ Prescribing Habits for Statins in Patients with Diabetes., Medication Use Evaluation; IRB approved., Western University of Health Sciences, Medical Center, Pomona, California, April 2017

Clinical Services Implemented:

1. Pharmacist Provided Pre- Visit Consult Service., Western University of Health Sciences, Medical Center, September 2016
2. Vaxchora® Travel Vaccination., Western University of Health Sciences, Patient Care Center Pharmacy, Pomona, California, September 2016
3. Tamiflu Clinic., Western University of Health Sciences, Patient Care Center Pharmacy, Pomona, California, January 2017
4. Therapeutic Interchange Protocol., Western University of Health Sciences, Patient Care Center, Pomona, California, April 2017
5. Chronic Pain Management and Opioid Prescribing Protocol., Western University of Health Sciences, Patient Care Center, Pomona, California, June 2017

Youngil Chang

Transplant and Pharmacogenomics Fellow Year 3

Dr. David Min

Publications:

1. **Chang Y.**, Shah T., Yang JW. & Min DI. Association of Genetic Polymorphisms of Macrophage Inhibitory Factor (MIF) and B-cell activating factor (BAFF) with Donor Specific Antibodies in Kidney Allograft Recipients. *Journal Human Immunology (Under review)*
2. Ciciarelli JC., Lemp N., **Chang Y.**, Koss M., Hacke K., Kasahara N., Burns K., Min D., Naraghi R. and Shat T. Renal Transplant Patients Biopsied for Cause and Tested for C4d, DSA, IgG Subclasses, and C1q. "Which Humoral Markers Improve Diagnosis and Outcomes," *Journal of Immunology Research*, January 15, 2017 (article #1652931, on-line publication)
3. **Chang Y.**, Shah T., Yang Jw., Min DI. "Association of genetics polymorphisms of angiopoietin-like 4 with proteinuria in kidney allograft recipients" *Transplant Immunology*, Nov. 19, 2016 (on-line publication)
4. **Chang Y.**, Shah T., Min DI., Yang JW. "Clinical Risk Factors Associated with Early Post-Transplant Anemia in Kidney Transplant Patients" *Transplant Immunology* 2016;38:50-53

Research Grant:

1. "Glycosylation of DSA on AMR", Mendez National Institute of Transplantation Research Grant, PI, \$50,000, approved, funded, Feb. 2016-Feb. 2017 (Co-PI)

Oral and Poster Presentations:

1. **Chang Y.**, Chinchilla C. & Nowicki M Donors with Isolated Anti-HBc Antibodies: True Evidence for Past Infection or Laboratory Artifact? Toward a Simple Confirmatory Test for HBcAb American Transplant Congress 2016, Boston, MA (Podium)
2. **Chang Y.**, Chinchilla C. & Nowicki M. Estimation of frequency of false reactivity of commercial test for anti-HBc (HBcAb). American Association of Tissue Banks. 2016, (Outstanding Scientific Abstract Award)
3. **Chang Y.**, Shah T. & Min DI. ApL1 and MYH9 genetic polymorphism among the Hispanic kidney allograft recipients. American College of Clinical Pharmacy. 2016, abstract accepted
4. **Chang Y.**, Shah T. & Min DI. Association of genetic polymorphisms in the renin-angiotensin system and post-transplant anemia among Hispanic kidney transplant recipients. American College of Clinical Pharmacy. 2016
5. **Chang Y.**, Shah T. & Min DI. Association of genetic polymorphisms in complement independent pathways with donor specific antibodies in kidney allograft recipients. American Transplant Congress. 2016, (Distinguished Abstract Award)
6. **Chang Y.**, Shah T. & Min DI. Association of genetic polymorphisms of angiopoietin-like 4 with proteinuria in kidney allograft recipients. American Transplant Congress. 2016 (Distinguished Abstract Award)

(Youngil Chang cont.)

7. **Chang Y.**, Shah T. & Min DI. Association of Fc gamma receptor genetic polymorphisms with donor specific antibodies in kidney allograft recipients. American College of Clinical Pharmacy. 2015
8. **Chang Y.**, Shah T. & Min DI. Association of macrophage migration inhibitory factor genetic polymorphisms with donor specific antibodies in kidney allograft recipients. American College of Clinical Pharmacy. 2015

Rachel Enerio

PGY1 Acute Care Resident

Dr. Mark Nguyen

Oral and Poster Presentations:

1. **Enerio R.**, Nguyen HM., Kum A., and Qiu Y., Yanagidara M., Dang K., PharmD Candidate. Effective and Timely Hyperglycemia Management in Non-Critically Ill Patients. California Society of Health-System Pharmacists Seminar 2016. October 2016. Anaheim, California.

Mariam Khachatryan

PGY1 Pharmacy Resident

Dr. Janice Hoffman

Oral and Poster Presentations:

1. **Khachatryan M.**, Hoffman J. Pharmacist-Led Antibiotic Stewardship Program at a Nursing Home. Western States Conference for Pharmacy Residents, Fellows, and Preceptors, San Diego, California, 2017; Oral Presentation
2. Toutikian M., **Khachatryan M.**, Shmaeff B., Smith R., Hoffman J. The Use of Renally-Dosed Medications on Beers List in the Elderly Living in a Skilled Nursing Facility. California Association of Long Term Care Medicine 42nd Annual Meeting, 2017; Poster Presentation
3. **Khachatryan M.**, Shmaeff B., Smith R., Hoffman J., Impact of a Pharmacist-Led Antibiotic Stewardship Program on Management of Urinary Tract Infections in Nursing Home Residents. California Association of Long Term Care Medicine 42nd Annual Meeting, 2017; Poster Presentation
4. **Khachatryan M.**, Becoming a Pharmacist. John Muir Elementary School, Glendale, California, 2017; Oral Presentations

Professional Achievements

1. California Association of Long Term Care Medicine Poster Presentation 1st Place Award
2. California Association of Long Term Care Medicine Poster Presentation 3rd Place Award
