

Untangling the web of childhood obesity

Coast to the Cascades Seventh Annual Regional Childhood Obesity Prevention Summit

Wednesday, April 20

9 a.m. to 3:30 p.m.

Samaritan Lebanon Community Hospital
Health Career & Training Center

Join us in addressing the growing epidemic of childhood obesity in Oregon's Benton, Lincoln and Linn counties. Together, we will identify and explore social determinants affecting the well-being of children as we strive to untangle the web of childhood obesity.

Keynote speakers

David C. Nieman, DrPH, FACSM, Professor in the College of Health Sciences, Appalachian State University and Director of the Human Performance Lab, North Carolina Research Campus

Debra L. Kibbe, Senior Research Associate, Georgia Health Policy Center
