

## From the Graduate College of Biomedical Sciences:

### Kudos on accomplishments

Dr. Fanglong Dong has two new publications and three poster presentations:

In collaboration with Dr. Elo and other faculty members from CDM, he published a longitudinal study based on 5 to 9 years follow-up of patients who had coronectomy with bone graft in the *Journal of Oral and Maxillofacial Surgery*.

1. Elo JA, Sun HH, Dong F, Nguyen K, Zakhary K. Coronectomy with bone graft reduces periodontal pockets on adjacent mandibular second molars – a 5-9 year follow-up of 78 adult patients. *Journal of Oral and Maxillofacial Surgery* (In Press)

In collaboration with Dr. Neeki (ARMC) he published another study testing the safety and efficacy of tranexamic acid (TXA) in the pre-hospital (EMS) setting. 3<sup>rd</sup> year COMP medical student Jake Toy was one of the coauthors

2. Neeki MM, Dong F, Vara R, Toy J, Wong D, Vaezazizi R, Jabourian N, Jabourian A, Seiler K, Pennington TW, Powell J, Yoshida-Mcmath C, Kissel S, Schulz-Costello K, Mistry J, Surrusco MS, O'Bosky KR, Stralen DV, Ludi D, Borger R, Sporer K, Benson P, Pitts R, Culhane JT. The role of tranexamic acid in pre-hospital traumatic hemorrhagic shock; preliminary outcomes from California Pre-hospital Anti-fibrinolytic Therapy (Cal-PAT) study. *The Western Journal of Emergency Medicine* (In Press)

Dr. Dong, in collaboration with Drs. Wan and Chen (Mayo Clinic) and Drs. Pumerantz and Ochoa (Western Diabetes Institute), had a presentation accepted internationally in France.

3. Wan SH, Pumerantz AS, Dong F, Ochoa C, and Chen HH. Prevalence and Risk Factors for Diastolic Dysfunction Development in a Diabetes Mellitus Cohort. Poster presentation at [Heart Failure - European Society of Cardiology](#), Paris, France, April 29 to May 2 2017.

In collaboration with Dr. Sathananthan and medical student Navreen, he has a poster presentation accepted for the *American Association of Clinical Endocrinologists* (AACE) annual conference.

4. Pandher N, Dong F, Sathananthan A. Barriers To Care And Medication Practices For Type 2 Diabetic Patients In A Student-Run Clinic In Montclair, California. Poster presentation at American Association of Clinical Endocrinologists 26th Annual Scientific & Clinical Congress, Austin, TX, May 3-7, 2017.

In collaboration with Dr. Blumer and medical student Sam and Lee, he has a poster presentation accepted for the American Academy of Osteopathy 2017 Convocation.

5. Kammerzell S, Kenyon L, Blumer J, Dong F. Evaluating the Effectiveness of the 3rd Year Integrated OMM/FM Rotation. Poster presentation at American Academy of Osteopathy 2017 Convocation, Colorado Springs, CO, March 22-26, 2017.
