

**Jeff Lloyd, DDS**  
**Associate Professor**

It is with a heavy heart that CDM announces the loss of one of their own. A dearly beloved friend and colleague, **Dr. Jeff Lloyd** passed away after a brief illness on April 9, 2019. Dr. Lloyd joined CDM as a part-time faculty in 2010, while still operating his successful dental practice in Rancho Cucamonga, CA. Dr. Lloyd's love for teaching general dentistry was immediately apparent, and he soon expressed an interest in a full-time position. During CDM's Honor's Day and Senior Award Ceremony on April 25<sup>th</sup>, the College announced the establishment of a fund for the **Dr. Jeff Lloyd Scholarship in General Dentistry** to be awarded to a student who *demonstrates an interest and aptitude in the practice of full-scope, quality general dentistry*. In addition, the college renamed the **Part-Time Faculty Award** as the "**Dr. Jeff Lloyd Outstanding Part-Time Faculty Award**" as it was felt he already "owned" it after his three wins of this award. Dr. Lloyd was a passionate, dedicated, caring and outstanding member of the College who leaves a legacy of enthusiasm and love for teaching general dentistry at the highest level. He is and will always be deeply missed.
