

Good morning everyone,

I am very pleased to announce the following PPAD activities from CSHP Seminar.

### **Presentations**

Dr. Janice Hoffman provided the following presentations (please note, the co-presenter for the third presentation was her former PGY-1 resident, Dr. Aida Oganessian):

1. Memory Loss with Aging: New Directions for the Treatment of Dementia
2. Navigating Your Career and Leadership Opportunities (CE Seminar)
3. Clinical Pearls: Diabetes in the Elderly through Transitions of Care

Dr. Mark Nguyen provided a CE seminar titled:

Are Current Approaches to Septic Shock Management Setting Up For Smooth or Turbulent Sailing Ahead?

### **Poster Presentations**

Dr. Anne Kugler, Dr. Patrick Chan, and current WesternU COP student pharmacists presented their CAPSLEAD project

Agustin A, Chao C, Darakchyan A, Keivani M, Nies I, Masihi A, Park S, Vuong C, **Kugler A, Chan P**. Attitudes of pharmacists and student pharmacists toward political advocacy. California Society of Health-Systems Pharmacists Seminar, October 2018, San Diego, CA.

Dr. Patrick Chan presented several posters with current student pharmacists from Class of 2019:

1. Fong A, Kanaan J, **Chan P**. Effect of bipolar medications on opioid-related readmission in patients with bipolar disorder and opioid abuse. California Society of Health-Systems Pharmacists Seminar, October 2018, San Diego, CA.
2. Fong A, Kanaan J, **Chan P**. Characteristics of opioid-related admission in patients suffering from bipolar disease and opioid abuse. California Society of Health-Systems Pharmacists Seminar, October 2018, San Diego, CA.

3. Kanaan J, Fong A, **Chan P**. Effect of antipsychotics on opioid-related readmission in patients with schizophrenia and opioid abuse. California Society of Health-Systems Pharmacists Seminar, October 2018, San Diego, CA.
4. Kanaan J, Fong A, **Chan P**. Characteristics of opioid-related admission in patients suffering from schizophrenia. California Society of Health-Systems Pharmacists Seminar, October 2018, San Diego, CA.
5. Fong A, Kanaan J, **Chan P**. Characteristics of opioid-related admission in patients suffering from depression and opioid abuse. California Society of Health-Systems Pharmacists Seminar, October 2018, San Diego, CA.
6. Kanaan J, Fong A, **Chan P**. Effect of antidepressants on opioid-related readmission in patients with depression and opioid abuse. California Society of Health-Systems Pharmacists Seminar, October 2018, San Diego, CA.

Dr. Patrick Chan also presented a poster with recent WesternU graduates Dr. Lani Nguyen and Dr. Alice Deng.

Nguyen L, Deng A, **Chan P**. Impact of outpatient referrals in patients with severe mental illness and alcohol use disorder. California Society of Health-Systems Pharmacists Seminar, October 2018, San Diego, CA.

#### **Clinical Skills Competition and Student Quiz Bowl**

Dr. Mark Nguyen and Dr. Patrick Chan served as judges for the two events.

Great work everyone!

Don
