WE NEED YOUR HELP  
**VOLUNTEER**  
**REGISTERED NURSE**

**Did you know? It is required to have a Registered Nurse onsite at Blood Drives in California?**

Please join us on our mission to reduce cancelled blood drives and missed blood donation opportunities by being an American Red Cross Volunteer Registered Nurse.

## **Save Blood Drives, Save Lives**

Put your license, professional background and skills to lifesaving practice. Be a part of our R.N. Program today!

Contribute by assisting Blood Donors through the collections process and support our collections team with unregulated duties at blood drives. You can make a world of difference.
